

Dear Friend,

We just want to update you on some exciting news and how God has been answering the prayers of many. As we mentioned in our most recent update we are preparing for a baptism in Luncavita, the village in which we serve weekly. We have been working with a couple who have been saved and expressed a desire to be baptized. Two years ago when we were preparing for the last baptism there were two other people with whom we were talking but they were not ready to be baptized because of the fear of the parents', neighbours/ relatives reactions. During recent days the Lord has worked in both of their hearts and they are ready to make a stand for Christ even if it means being ridiculed or looked down upon by others in their community. Praise the Lord! So now we are preparing to have 4 people baptized on September 23. It will be a great celebration!

We would ask you to please pray for each one of the baptismal candidates as they share their testimony that it will be clear and understandable for all who will be attending. Pray for Pastor Adi (from Betel, Tulcea) as he preaches and Mike as he does the baptizing. Please pray for all those who will be attending that they will hear a clear gospel presentation, will see the difference Christ is making in the lives of these believers and that the Lord will work in their hearts to desire to know more. There will be visitors from some of the other churches in Tulcea county as well.

Thanks for praying with us and may we rejoice in what God continues to do!

With the hope of eternity,  
Mike & Mary Lou
