

Merry Christmas and God's riches blessings in 2019!

In 2018, we are thanking God for...

- our new house in Guinea
- the progress we've made in learning the culture and language of the Konyagi and in building relationships
- the help of Chantal's parents for 5 months in Guinea
- God's provision, not only financially, but also of an apartment and a car to use while we are in Canada
- the encouragement of visiting our supporting churches and seeing many of you
- the printing of Genesis and the New Testament in the language of the Konyagi people

In 2019, we are trusting God for...

- our preparations to return to Guinea (likely in early February)
- Alessandro's permanent resident card which we must receive before leaving
- booking our airline tickets and our travels back to Guinea
- adjustment to life in Guinea for our family and Chantal's parents who are planning to come for 4-5 months to help us
- continued progress in culture and language study (pray our language helper Mémaku will be able to help us)
- continued progress in building relationships in the village
- the help needed with the children's care and education
- preparations for beginning the Bible teaching among the Konyagi people

*Thank you for your partnership
in bringing the Good News of Jesus
Christ to the Konyagi!*
