Dear Prayer Partners,

Immerse is a program offered by Northwest Baptist Seminary, whereby individuals can receive an integrated and mentor based master's level theological education in the context of their existing ministry and location. It is innovative in its' approach and format as students of the program develop competency of knowledge, skills and character in their growth for service in God's kingdom. *Immerse* is launching in Spanish into Colombia, S.A. and Ken is honoured to be a part of this launch as an academic mentor for Latin Americans who are beginning in the program. If you would like to know more, you can learn about the program at <https://www.nbseminary.ca/programs/immerse>

The *Immerse* program launch for Colombia begins in March, and we are encouraged to have 12 students who are formally beginning this component of their spiritual and life journey in their service of God and His kingdom. Like them, Ken will be growing in this new role. What a privilege to come alongside those who have entered into ministry, but who recognize the need for personal growth and help as they seek to become all that God has designed for them to be. Ken appreciates your prayers for himself and the students, as they learn to see God and grow in what He desires to do in and through them.

Ken is also excited about enabling Esther van Wijk to accomplish her vision of seeing the *Kairos course* (<https://simplymobilizing.com/courses/kairos>) launched for the Niagara Region. God has actually been going ahead in providing the facilitating team and venue for the course, which will be conducted in an intensive format over two weekends in May (May 10-12, 17-20) at Central Community Church in St. Catharines. We can handle up to 30 participants and so all we need now are people to register and attend. If the desire of your heart is to beat with the heart of God, then it must beat for the peoples of this world from every culture, language and nation. The Kairos course is for local churches, who desire to enter into the heart of God and His plan for this world, and to discover or perfect how they are involved in His mission to this world. We appreciate your prayers as we seek to introduce this discipleship tool available to Niagara Region churches.

Do continue to pray for *Markdale Baptist Church* as they continue to search for a pastor. It is a joy for Ken and Mary Ann to walk with them in this, as Ken fills the gap of providing consistent preaching for them each Sunday. Continue to pray that God will continue to use the preaching of His word to encourage His people as they engage in their role as followers of Jesus Christ in this world.

The *Monday night* journey of exploring the Book of Revelation in Spanish has grown to 6 participants. We appreciate your prayers as we wrestle with how the theology and message of this work spoke to the church of the first century, how it speaks to us today and every generation, as we too recognize the patterns of evil, God's judgement, our ultimate victory in Christ, and the personal implications as we heed the apostle's John's call to persevere faithfully, even to the point of death in the face of evil which seeks to destroy the followers of Christ.

Ken continues to serve, encourage and equip in diverse opportunities through *mentoring, counselling and teaching*. The spectrum is pretty broad, but the opportunities for God to show up and make Himself known is what motivates Ken every day. In each and every encounter grace and wisdom is needed as we journey together in seeing God, listening to Him, and living in obedient response. Thank you for praying.

Venezuela continues to be in the international news and our hearts ache with many who live there whom we know and love. Do continue to pray for them. As one of our dear friends recently communicated, *"The situation is extremely complicated. My brother, we need intercessory prayer for God's people in Venezuela, for all of the country, so that the transition can happen under the best terms, in peace and without great bloodshed."*

We are so very grateful for your participation in the Lord's work as we seek to equip and encourage those who are growing in making disciples. Thank you.

Your ambassadors for the sake of the kingdom,

Ken & Mary Ann Jolley
